

Wilson Temple UMC Acolyte Ministry

AGES 4 – ADULT

Acolytes have a very important job each Sunday. As they bring forth the light of Christ into the Sanctuary, we are reminded of God's presence and as the light is carried out; we are reminded that God is with us in all places, always.

Serving as an acolyte builds independence and responsibility and with guidance it also builds confidence and understanding. This is an opportunity to make new friends, have fun and through commitment, grow in service to the church.

We welcome ages 4 to Adults! Training sessions are held for those who wish to serve as an acolyte, refresher sessions as needed and an acolyte handbook that provides a reference for you as you begin your journey.

We welcome you and thank you for your willingness to serve. If you have questions, please contact Gwen Graham, Acolyte Co-coordinator

Scholarships

Without a doubt we want our children to have the advantage of a college education. Investing in their pursuit of success is an opportunity to make a strong impact on their lives.

We invite you to become an investor in their future by making a financial donation to the Wilson Temple United Methodist Scholarship Fund.

Donations can be made online or through Sunday offerings:

- Black History Month (fourth Sunday in February)
- Graduation Sunday (fourth Sunday in June)
- Grandparents' Day (second Sunday in September)
- Anytime of the year!
